i dont like seeing bathroom door in living room. unless we can hide it in a bookcase or something.
. we have to have room for the bikes . and an entry from the bikes on the northside. . do we
raise an build a walkway outside the liing room window? do we add an arch. ? not sure. but
bike access is very important as i use it as my entrance

thanks for the first pass. 1. i gave you a drawing, the window is
nothing like the kitchen. it is march larger. higher . I need to get
from bikes to kitchen. steps elevaiton. where do the bikes go. and
not be seen from pool . do we raise the patio floor. so to be able to
walk to the bathroom entrance.
