I agree but they ask me to commit to a 3 year time. I am sure they will put some good money behind the commitment but that's nt the point. The low risk solution for me is to take position and keep the rest on the side, but you are very smart and experienced and I value your input. I never like to feel like I have to do anything, even if it's a great opportunity and a step up. I am built like that.

I very much appreciate your thoughts.
