Below from Claudia in Nathan's office:

Lesley ...

Nathan's concerned he won't be in town early enough to be at Jeffrey's by 5:30P. He's scheduled to land at Teterboro at 3:40P (assuming they get clearance given the Super Bowl) - otherwise, the plane may need to land in Trenton. One way or the other though, Nathan is concerned. Does Jeffrey have any wiggle room?

Thank you,

Claudia
