Hi there

Fantastic to see you, great to catch up! Definitely will try to catch up again but hopefully not wait so long. I will try to untangle my memories and have some good stories for next time..... There were a lot.

I'll give you a shout when we're doing the hall, you can help me choose furniture.... It's more your thing than mine:)))) Happy days.

Thank you again for changing my life for the positive. You're a special person... Dotty but special:)))

Have a safe trip home. Say hi to my long lost cousin Richard;)
