I went back to Abc, took more pics, got prices and want to make sure you are happy because... When they pulled back more of the carpet on top of orange you can see little patterns in it.

Also... Even though it is wool from one side the light catches it almost like it would do silk and it is shinier and lighter. (4th pic)

Price \$ 2900 (they say they can work on it a little for me)

Size: 8x10
