I spoke to Linda about his business etc. She told me a little anecdote of what happened last night that will put this all in perspective. Warren was sleeping upstairs because of his coughing. At 4 am, she heard a noise and went upstairs. Warren was dressed and brushing his teeth. She asked, what are you doing? He said he was getting ready to go to work...

His condition is declining fast. I'm going to go see him tomorrow after work. Seems like his fight is all but over.
