just had lunch with Wayne and Cathy in DC. They send their love and would love to see you in NY, Boston or DC sometime. Meghan now a junior at Harvard studying bio-medical engineering.

I talked with them about inviting Reid and Joi to the next Academy. They had already invited Reid, and now will add Joi, I think.

Had a great time with Tom Pritzker yesterday and met Josh Ramo (who is marrying a friend of mine - Nora).

I'll be in NYC briefly - night of 2/23 and part of the day 2/24. Most of 2/24 working with someone to help me get one of my writing projects resurrected toward a book. May be free Sunday night, 2/23, or from 10:30-11:30 on 2/24.... Are you around at all?

Now heading to SF to present on Essential Self technologies (oh, yeah, I made that up!).
