Weather looks very bad for most of morning until late afternoon,
-current conditions at Lagaurdia 600 overcast with 1/2 mile visiblty.
By 9am calling for heavy snow, with 400 ft ceiling.
-by 1pm weather 700 overcast with 1 mile visibility.
-3pm more improvement 900 overcast / 2 mile visibility.
After-6pm best chance for travel, 1500 overcast / 6mile visibility.

I'll check with ACP Jets / Suran and see if he has his Hawker or Citation 10 in Ny Area, it's the day after Super Bowl, so airlines and charter will be busy i'd imagine.
