Subject: Hello!

Hi Jeffrey,

Hope all is well. We met during fall 2012 in New York, do you remember? Barbro Ehnborn introduced us and you gave me valuable feedback on my tech-fashion start-up (relatedspecies.se). I'd very much like to keep in touch, perhaps we can meet for a lunch or so at my next NY visit or when you visit Stockholm, if you have the time.

Best regards,

Katharina
