no one died. is a very bad response. I am hurt , but love you very much, To miniimize an emotional hurt by suggesting that no one died is unfortunatley confirmation that I have not expressed myself either completly or well. If you had sex , first with my mother , then my brother ,sister and father, and you found me upset. you might feel justified and take comfort in the same tired cliché. ( though i don't think my father would have enjoyed the sex;;)). I respect your decision to hold commitment to friends as a priority to the one to your girlfriend.

He said ppl screw up and he is sorry he screwed up but no one died and he has a commitment to a friend. We need a very logical and compelling response.
