Nastya finally responded when I mentioned "David Blaine" (typical model), the only problem is that she's working every day. But maybe after work one day she can come out w her friend (also very hot). So the best thing is to have David email her, I think that would do the trick. Then David can suggest all 4 of you go out. Probably best to meet at your place first, so they see your home and know that David is your side-kick and not the other way round! David just needs to mention my name, to say that he knows me, so the girls don't think I lied to them. He can say he knows me from NY.

I'm in NY, flying to Bangkok on Wed. I know a nice model in Paris now, but she's telling me she's busy working. Google Nastya Choo. Working on another girl who was in Paris, but may be back in Slovakia now. Waiting for a response.
