Reinvent Your Look, Piece By Piece

A local customer approached us recently with an all-too-familiar complaint. She had just moved to the Bay Area with her hand-me-down college apartment furniture in tow. Eager to take on the city and this new chapter in her life, she wondered, "How can I upgrade my look without spending a fortune?" Lucky for her, we knew exactly what to do.

A few of us got together and spent some time in her apartment, surveying the scene. Her living room, seriously lacking in color and personality, needed the most help. And with a few simple and affordable additions, we transformed her room into a stylish, inviting space.
