Jeffrey,

Hope you have a wonderful and warm time! Probably you have heard about what is happening here in NY. And I'm just so happy for you that you have an opportunity to be out of city in warm and sunny place!!

Today I called to Frank Salomon and we had a very nice chat. I was actually hoping to get a chance to meet him but he said that he is very busy at the moment as he was sick last week and has to catch up with many works..so he preferred talking on the phone.. He gave me some good advices such as where should I look for help in [REDACTED] and what are the main things I have to think about... it was very nice to talk to him. Thank you for this opportunity.

Hope you are great and I'm looking forward to seeing you when you get back!

Dear Jeffrey,

I have to tell you that today when I woke up in the morning I had a smile on my face and I was in an extremely good mood... I immediately thought- this day must be a special day! And it really is special!!! Today is The Day when the world was gifted with a very special and unique person to come to live with us. A person with exceptional abilities, a person with immense wisdom, strong character, brave heart and wild soul. A person with an extraordinary determination to achieve everything that he ever wanted to achieve. And the most important- to achieve everything with his own hands and intellect. And that person is You, Jeffrey.. Is there anything left I could wish for you- for a man, who has all the best qualities one could ever have and who with his immense work and dedication achieved everything possible and even impossible in life?

Yes. There are two things that are never too much to have them- it's **love** and **health**. These two things are the most important and most precious things in our lives...So here is what I would love to wish you most sincerely and from the bottom of my heart- **Love and Health!!**

Justina
