Hi.. I think we found a house! maybe, anyway..

<http://www.trulia.com/property/3135012889-17575-Blue-Heron-Ct-Lake-Oswego-OR-97034>

It is \$599K and I am going to offer \$560 if we make an offer.. I am hoping that if we put down close to \$180K they will finance \$380K for me without anything other than my salary and assets as guarantee, but it will be close (not for me, for them of course.. for me the monthly payments will be straightforward.. total amount is less than annual income for me before alimony..). .. Will find out tomorrow. They said that if we needed you to guarantee they would probably just need evidence of one income stream rather than details.
