Anthony had hoped 8A would be done in Friday but it was not. He says it should be by this Wednesday. He said Tara specified carrera marble ( the white and grey marble) for the counter tops. I somehow seem to remember you telling her you don't like that for the kitchens. Do you rather want to use something else. I like the look of carrera but in my opinion it is more porous than a lot of other products and stains easily.

Ceasers tone? Or stay with carrera?
