Greetings Sir,
Spoke with Jimmy this afternoon regarding sending 2 of his guys for the finishing work on the tennis court slab, as per your request.

He said only if he is the one doing the entire job - he does not work over someone else's work. I reminded him that Danny is the one in charge of this project . He said yes he knows, but he will not work after even guys who do exemplary work, because if the job does not come out as it should, the finish guys are always blamed.

He also wanted to let us know that he will be off-island February 5-17.

Respectfully, Daphne
