FYI - The owner of GSJ would like to have the VIGOV buy the island. The VIGOV is not interested since it does not have the money and, without money, it's not a high priority. I know you were interested in GSJ at one point. The owner wants about \$30MM for it and a lifetime agreement to allow his son to use the existing house for vacation visits.

Thought - purchase it on behalf of the VIGOV and get a commitment that it will not be developed.

With warm regards,
