Hi all from Washington Airport while waiting for slightly delayed flight to Toronto.
Thank you all for being such an important part of our celebration!

.. Luke has kindly given us permission to pass this on. Of course when the 'official photos' become available we will let people know.. but in the meantime, this is a great teaser, with some great shots!

We will establish a site where all the photos from everyone else can be uploaded and shared...will let you know...

Will also send a list of the wedding songs and artists.. :)

Love to all,

Lawrence and Nancy

Hey,

I found a site to host photos for you guys... Still need to see if this is the way to go or not.
But I posted a bunch so you have something to look at... You know... In case you get bored at Disney World. :)

This may work out where other people can upload their photos as well. I will need to test more later.
