Hi Lesley ...

Nathan's timing worked beautifully ... in fact, he's walking to Jeffrey's and may arrive a little bit earlier than 5:30P.

Thanks for your assistance!

Great news!! I just map quested the Hotel to JE's house and it says in

current traffic it should take about 10 minutes..but with SuperBowl visitor etc, I would for sure allow 20-25 minutes...if not 30! I will give Jeffrey the good news.

Just received the take-off report and Nathan is officially Teterboro bound... landing is at 3ish. He's staying at the Intercontinental at Times Square... do you have a sense for approximately how long it will take him to get from the hotel to Jeffrey's? 30 mins or so?? Nathan will likely grab a cab...

Nathan's concerned he won't be in town early enough to be at Jeffrey's by 5:30P. He's

scheduled to land at Teterboro at 3:40P
(assuming they get clearance given the Super
Bowl) – otherwise, the plane may need to land
in Trenton. One way or the other though,
Nathan is concerned. Does Jeffrey have any
wiggle room?

Thank you,

Claudia

Hi Lesley,

We think this should work for Nathan's
schedule, but we still have to do our final
schedule check with Nathan and that may not
occur until this afternoon. I've cc'd Claudia
because I will be leaving in a few hours to start
my vacation.

Claudia will be in touch as soon as we have a
definitive answer.

Thank you so much for all of your help working
this out!

Natalie
