Hi sneaky dog ! I know you don't want to talk to me but I need your help ...I tried find a sponsor myself but it seems like no one I know is willing to take a risk . I am so down and stressed cause the school won't be able to renew my I-20 form till I provide the required documents or my evaluation will be processed. However, I am afraid I might loose my status till then as I have only 60 days remain in a pending status, which will be end in the beginning of the February ...
