Hey Bossman,

Which mirror would you like in the Cabanas?

Pic 1: White Mirrored Jewelry Cabinet Amoire with Standing Mirror.

Pic 2: Elegant White Hanging Accent Bed Room Hall Wall Mirror.

Pic 3: Kings Brand White Finish: Wood frame standing floor Mirror.

Pic 4: Cheval Mirror in White Finish.

I like pic 1 because it has a cabinet that they can put their jewelry, watches and other small items in it and its really nice.

I also like pic 2 because it would look nice if you hung it on the wall or behind the Bathroom door.

Please advice,
Ann R.
