Hi Richard. These are on my weekend reading list. I hadn't heard about the retroactive aspect. When they did that a few years back with the 267 matching rules, they got their hands slapped. Thanks and regards

Fyi

I have not read – the effective dates are when finalized – looking at the effective date provisions- t parts of the 752 regs are retroactive to 2006 and the 707 regs back to 1991. As a follow up to our prior discussion.
