Hi Tyler,
We'll be listed on the popular tech site below. Am redoing Jeffrey's Edge profile tonight and will send you the updated link.

Will send you more content shortly.

Jeffrey: can I ask Martin Nowak to do a page for the foundation? That edu URL would be very helpful.

Thanks,

Hi [redacted]!

Thank you for the information. Your website is scheduled to be featured on February 3-4, 2014 at exactly 8:00 AM MST. Please take note that you will be featured on [insidetechnow.com](http://www.insidetechnow.com)'s front page ("Featured Sites" section) for 2 days and will be permanently listed on the All Sites list.

Sorry I can't scheduled you on an earlier date because we also have some other websites already on schedule. Hope that's okay with you.

Please do remember to take note of the date above.

Here's the link to your website profile once the post is active on said the date:
