Subject: Three names for Joe

I still need to discuss it with Richard Axel – but my list of two top names for Joe are:

<http://www.einstein.yu.edu/faculty/6123/susan-bressman/>

Dr. Susan Bressman
Beth Israel Medical Center
Movement Disorder Clinic
Director

Johira – asst.

Hew stuff is notoriously difficult and hard to get an appointment but we can work through it.

AT least she is in NYC.

The second one is Stan Fahn

The third one is more relevant if Joe is considering deep brain simulation

Mahlon DeLong

Please note that I did not discuss them with Richard as I just wanted a totally independent input.
