Hi Jeffrey,

not sure if you saw this below? any interest in getting on their board? it would help google results.

Jeff,

We were wondering if you would like to join the Lifeboat Foundation Advisory Board as shown at <http://lifeboat.com/ex/board>

We just had Ray Kurzweil and Nobel Laureates Daniel Kahneman, Eric S. Maskin, Richard J. Roberts, and Wole Soyinka join our Board so you would have some good company!
