I believe in you, I wanted to give you a chance, I trust you, and as I told you, I believe I can rely on you. . that being said, you make decisions based on little or bad information, given the real chance to help. I asked Karyna to send you a program to learn, you choose to ignore it, not ask about it, or try to learn other useful things, you are taking classes based on silliness, but I want you to learn for yourself. you ask for money, it arrives the next morning, I ask for help and you can't get to it until Sunday night and almost one week later no little about it. I am embarrassed for you and for me

What can I do to help and be useful for you? Cooking classes? Massage classes?
