Subject: heads up

Jeffrey,

you are probably aware of this, but want to inform anyhow:

I received a call from a person named: Maxwell Lloyd who indicated he worked for "Bray Entertainment" in NYC.
Phone number [REDACTED] or [REDACTED] email [REDACTED]

He informed is company does production for National Geographic's, A&E, Spike and History Channel. He told me his company was doing a documentary which included you and was trying to locate people to be interviewed, Maxwell Lloyd did say he had positive response from Attorneys for this project, he did not indicate names. After hearing this, I politely said I'm not interested.

just heads up,

thank you,
Larry
