Mort , I recommend you hire professionals , not your nephews. . I recommend you counsel with Joel , a loyal friend with your best interests at heart. I do not recommend you do anything but a total re-do of the current trusts, will, investments , starting with a forensic accting. a litigation strategy, a serious planning sessiion with people with no self interest. . a strategy then tactics then operation.s. You have had a nyriad of well ,meaning attnys, none that had the full picture, . AFter a total redo and only after , you need advice in the art, charitable pledges. income, tax , capilta gain tax,gift tax, divorce law. contract law, accounting, trustees, correct financial statements. move usnews to rene in a tax effcent way. re orgazine , notes, interest, prefeered participations , realign daily news. boston prop , and usnews. with attention to outstanding pledges. re do trusts, . sell the rothko. and the bxp stock. it is very complex and not a job for amateurs, There are hundreds of millions of dollars in erros and opportunities on your balance sheet. trying to save money on fees will cost you a many time multiple in the end. Your attention and expertise is not in this area. nor are your nephews. There is great risk to anyone trying to unravel and then reconstruct. I had suggested three months ago and arrangement that you felt too pricey. that offer is no longer good the shortened time frame , makes it more not less difficult. We can speak at your convenience.

you should not , yet use ralph lerner . I gave you his name as i will always give you help. but as i have said before ,, he is merely a sub contractor - not the architect. These things will come to a bad end if done without a plan in mind, having seperate attnys in different fields without overall detailed coordination is a major factor in the current mess. it will cost tens if not hundreds of millions in errors. sorry.
