Good morning [REDACTED] I don't want to wake u up . This an update - took something for sleep & headache but did not hear my alarm set @4am. Just woke up but feel so lousy & headache. The doctor gave me lozartan which I took yesterday & will take today . Told me to take it easy. But thought of reporting this morning but my body is just not up to yet. I'm sorry but pls let the Boss know if I will report tomorrow early . Thanks [REDACTED]
