Jeffrey,
Replaced the L/H ACM (Air cycle machine). Prior to replacement, we had 60degree air. Now it's producing 42degree air. Good fix.
May I have your approval for Rich to wire \$55,190.00 to Gulfstream so I can test fly after lunch?
?

This payment is to cover ACM cost and install, I still have open work order for avionics and maintenance repairs I'm completing.

Thx
Larry
