check was received friday
i wanted to review with you as i was told there would only be a 30% withholding for payroll taxes which [REDACTED] would get back when she filed her tax return
check also had a 10% fee deduction which i was unsure if you agreed to with JL

Gross 25,000
Fed w/h (7,500)
10% Fee (2,500)
Other fees ** (775)
Net Amount 14,225

Should i have 2,500 fee reversed and check reissued or is it ok and give to [REDACTED]
Please advise

** Tax Prep fee 475 by their Florida Accountant and two websit charges of 150 each
