Can you fed ex it to me?

If you bring it out to me we can review everything and I'll buy you dinner?

Jeffrey,

Do you have the blue carpet sample or is it on the aircraft?

I need a piece of it so that I can make 100% sure we get the absolute best match possible. I want to keep a small piece and send the bigger piece to the dye house for them to use for comparison as I know that you are critical on the color.

Please let me know.

Thank you.
