not goals but concrete steps . goals are too ambigious, example, learning a piece. . gaining weight, something that can be objectively measrued, happy holiday. Its more important that you start thinking in the 21 centry . otherwise you will be left behind, as i told your sister, if you consistanly look to the past for insiration your ass is facing the future

Dear Jeffrey,

Thank you very much for Christmas greetings - I am very curious about the challenge you are offering! You are absolutely right - it is very important to have ambitious goals and plan for the future!

Wishing you a prosperous 2014 year!! Our parents are joining with their greetings wishing you healthy and creative New Year!!!

Merry Christmas!!
