Here is a link to a public Facebook album where some pictures from that party are available:

Thanks Nathan, for organizing this awesome party, and for introducing us to Robot Turtles :).

What a great party!

Thanks to everyone who came along, put on paper crowns, and made our gathering so much fun!

Sujoy took great photos-- Sujoy, can you make that Facebook album, or at least some of the photos, public, and link to it in this thread?

Special thanks to those who helped:

- Aithne and Deepak, who ordered food and brought it
- Amna & Joseph Carreiro, who drove food & people, and washed so many dishes!
- Anirudh, who brought soft drinks
- Sujoy and many others, who helped set up
- Pragun, who drove people home
- Joi, for generously hosting us! :-)

- Everyone who took home leftovers and helped with cleanup

See you around the lab!

Hi all. I'm thinking of planning an early holiday dinner for anyone who happens to be in town with nowhere to go. I'm considering doing it at my house, but it's a bit last minute and I'll need a little help so I'll finalize it the details after we get the RSVP list. If you are free and would like to join tomorrow evening, can you RSVP to me and Nathan Matias <[REDACTED]> and indicate if you want to join and if you'd be willing help set up, clean, cook, shop, etc.

Whether you make it or not, happy holidays!

- Joi

If you have questions, problems, comments, etc, send them to [REDACTED] Thanks!
