Hello Jeffrey,

It went very well.

He was very happy to hear from you. I have to put you in contact with one of his lawyers here.

He said it's best to Skype/Viber or FaceTime with this lawyer.

Also he told me something that he wanted me to tell you I'll let you know tomorrow. I'll be back around 10am.

He wants you to know that everything is ok, and he is confident that it would be resolved, just needs your help for certain things.

Have a great day.
