Good afternoon Ladies,

Mr. Epstein will not be able to meet on Friday, December 6th. He had hoped to be back in the Territory this week but it does not look like he will. He will be back in the Territory the week of December 16th.

With warm regards,

Cecile

Cecile,

Noted with thanks. By way of this email, I will ask Ms. Dyer to confirm Dr. Hall's availability for December 6.

Would Mr. Epstein like to come to campus or would he prefer to meet off campus?  
Kindly advise.

Cordially,

Dionne

Dear Cecile,

Hope you had a good weekend. I am following up on my message regarding a potential meeting with Jeff, myself, and Dr. Hall.

Just wanted to let you know that Dr. Hall is free tomorrow between 1pm-2pm. However, because of a very tight schedule, an on-campus meeting would be best for him. Please let me know if Mr. Epstein might be available to come to UVI. If not, perhaps we can schedule the meeting at a time that would work

best for everyone.

Kindly advise at your earliest convenience and we will plan accordingly.

Thank you for everything.

My best,

Dionne

Good afternoon Dionne,

I hope all is well with you. Could you give me an idea of what the needs are in the math, science and computer science area at UVI and the approximate cost? We are thinking about a gift before the end of the year but would like to consider our options.

With warm regards,

Cecile
