Hey Bossman,

Ramon has jumped ship and aborted all task. I just received a text from him even after I told him that we will immediately honor his \$48,000.00.

Hola Anna, i have decided not to work in lsj anymore, i love to work for you, Mr Epstein and with my best friend. It's obvious that the job itself is not the problem but the un ethical ways of jenny the accountant, who lies, and do as she please with other people income even when the big boss tell her what to do, that is been happening since sept, and with her repeting ways what guarrantee me that it wont happen again, i don't like or need that, when we are on standby all the time and fully committed, without question, and your teammates deliberately want to see you discontent. Sorry Ann R.
