Hi Jeffrey,

I've got a friend in town who you might want to meet. He was until recently the head of design of Nokia. He's a philosopher and a designer. His father was the president of Finland and a well know UN diplomat - Martti Ahtissari. He won the nobel peace prize for peace keeping. Marko and I have been talking a lot about deception and will be joining the Media Lab as a fellow. He's leaving Nokia because of the acquisition by Microsoft.

He's a smart guy and you might like him.

Can I bring him with me today?

- Joi
