Join us for some pre-Thanksgiving libations, live art and music with Shantell Martin. From London to Tokyo to New York, internationally acclaimed visual artist Shantell Martin is expanding conventional definitions of drawing and animation to transform visual experience in the design, fashion, and music industries. Her dazzling light projections have been featured in iconic spots such as the MOMA, and her drawings have graced the cover of the *New York Times* Home section. Grab a drink and join Shantell as her drawings are projected onto the screen in front of the Gallery Steps, while being accompanied by a cellist.
