AT&T account covers 7 cell phones. Your line was billed \$342.54 roaming charges. Svetlana was billed \$115 roaming charges. AT&T doesn't offer world travelers coverage anymore. I need to pre purchase international plan for specific region. For example, international plan for Paris doesn't cover British VI; Morocco is not covered at all. I pre purchased 300 min for Paris, but did not have a plan for British VI. After ATT contacted with high international usage, I was able to get credit of \$281, as AT&T helped with plan change based on country of travel. In addition All phones were upgraded and a charge of \$36 was applied to every phone totaling \$252. Please let me know if you would like to have more details.

Thank you,  
Bella
