Dear Peggy,

I sent you at your request, the total approximate amount in both the trust and estate. This does not represent your share, but represents the total left which is shared by both of us. The actual and final distribution will need to wait until the informal accounting is completed and beneficiaries have provided release and refunding bonds.

As you know by your conversation with Sy Bressler at Bederson last week, this is being completed and will be available shortly.

Sincerely,
Gary

Dear Gary:

I am very glad to hear that the 1.25 million that I am owed is still there.

Could you please wire this full amount to me asap.

I can't imagine professional fees being more than the 200k that would still be left.

Thank you for your prompt attention. Let's get this behind us as soon as possible.

Sincerely,
Peggy
