Hello!

We're proud to invite you to preview the web version of Marvin Minsky's Society of Mind:

<http://aurellem.org/society-of-mind/>

This web version is our project to make the ideas in the book freely available to a wide audience. We've included, for the first time on the web, interviews and other videos of Marvin that complement the text.

You're a member of the first group of people to whom we're releasing this website --- we would like to know what you like, and your suggestions for making it better. We hope you'll find as much delight reading as we did working on it.
