Thank you!

That's probably not worth discussing by email but not all is truth.. When we meet if you want I can show you all messages and email I wrote to [REDACTED] and Lesley, and there is always words "thank you" included..

And regarding smoking also there is what to say.. I'm trying to quit, because I was thinking a lot that I'm being weak and stupid destroying myself like this. Everyone is making mistakes in life.. Is not that I don't care about it and just being stupid..

Can I ask when are you coming back to New York? Tommorrow?

Have a nice evening and happy sunday!

Sorry for disturbing..

I am not in new york. you can stay in the apt at least until we speak face to face to be fair to you. however i find your statements somewhat childish. I am well aware of the limitations of time . however everyone can spend two minutes to say thank you , which you have made zero effort to do. and if fact zero effort to even say thank you to [REDACTED] or others that have done nothing but be kind to you. You are young and strong minded, and i wish you will do well. [REDACTED] said you asked why whiten my teeth as i will continue to make them yellow by smoking. you are smarter than that. sleep well

Good evenig!! How are you?

I just got message from [REDACTED] that I should find another place to stay because I'm not polite..

I'm very sorry! I didn't think that I was acting bad, and that I dont write you is because I

know you are very busy with all meetings, didn't want to disturb you with my messages.. As i know that a lot of people don't like it! Didn't want to be annoying...

But You know how thankfull I am to you! And monday when you said to me just don't worry about it- i understood that you don't want me to keep repeating it... I was wrong probably..

The fact that I didn't come to visit-is because agency made me so busy doing test shootings and castings, had a job one day too. Was all week all day out running, also today.. I'm very sorry for that.. And it's just one week past, that's really short time to get to know person..

And about smell of cigarettes, that's strange that it didn't go out, as the only day I smoked in was

last sunday, never again after i was told about it.. Will get a spray for it, but I heard about it only yesterday, couldnt get it so fast!
I respect you a lot and am very thankfull for you being so generous!
And I understand if you want me to move out..
Very sorry again, feel really bad for this misunderstood..
Wishing all the best..
