to be clear we could spend the evening of the 20th and the day of the 21 st , if so. that would work. I really would like quiet time alone . to better focus on real issues, decorating can wait. . Sultan and I are very very close. if you want to see the harbor , you should, if not he will not be insulted.

For the 17-22 nov, this is my schedule. I m in paris the 18th but stuck with lunch and a horrible gala(one a year) , the 19 th i m in London and must be at the launch of our office there. Sultan said he would attend. Would you like to come? And we could have dinner after with him and Olivier. The next mrrng, sultan will show us his harbour installations. I can go after to Paris and meet you there. I don t have anything planned the 21st. The following day i must go to asia.
Also i could take you to see some craftsmen or ask them to come to meet you.
Would that suit you?
