Moish is in town starting tomorrow afternoon and for the day on sunday.
He asked me if he thought he should let you know in case you would like to meet. He knows you are extremely busy. I said yes he should and if you are too busy you can do it another time. I told him I will check with you.

I will go for dinner with him on sunday night after you leave if there is time. And please dont start any nonsense, you are here for one day in two weeks and I am dedicating that time to you no matter what.

oh...and may I borrow money for dinner please;)
