Attached is the quote from Bilotta for the cabinetry. They are working on quote for countertops.

The amount for the cabinets is \$ 22400.00 excluding shipping.

If they do the installation they would charge 25% plus lodging. Therefor \$ 5600.00 plus lodging.

Perhaps better to get someone local but then I don't think the warranty with Bilotta will still stand. There is a 5 year limited warranty with installation.

They did this quote when I requested it to determine whether we would go ahead with the color sample. I have asked them to update the date to todays date as it is effective for 60 days.
