Eva,

It was such a pleasure to meet you today. Thank you for taking time out of your very busy schedule to give me a tour of the Breast Center. The state-of-the-art facility is beautiful and you have created such a wonderful environment to help women. I am in awe of your work. Everyone at the center day was an inspiration. I told two friends about my visit and reminded them both to get a mammogram.

I am so grateful for your time. Thank you for thinking of me for any blind dates. :)

It is nice to be back in NY after a long summer and I certainly look forward to the year ahead.

Thank you again.

All the best,

Erin
