Hey Boris,

Great to see you too. Always is!

Of course I can help jeffrey. I liked him.

Maybe the best thing I could do is put him in touch with the Chairman of Safeboats. He is the ultimate boat guy and can help him find the right boats, either made by safeboats or by another

company. I will call the guy today and then email an intro to you both. Sound like a good plan?

Let's stay in close touch the next few months as we make plans...

Best, Alex
