Dear Friend,

On Monday, September 30th, we hosted the **2nd Annual Dubin Breast Center Fact vs. Fiction Luncheon and Symposium** for a sold-out audience of friends and supporters. For those who joined us and those who were unable to attend—but have a deep interest in the information provided—we are pleased to share highlights from the panel presentation. We encourage you to pass along these insightful videos to your friends and family, and to share them on your social media sites as well.

And an additional opportunity for you to support the Dubin Breast Center: What2WearWhere.com has chosen the Center as their Charity of the Month for October! Please visit their site [blog.what2wearwhere.com/blog/](http://blog.what2wearwhere.com/blog/) to learn more.
