Subject: Eric Roth

Eric Roth is at your plane and with Larry...Eric would really like to sit down with you for 15 minutes today. He is willing to come to the city to see you (although, he would really love if you could come to the plane for the discussion, but he realizes you are probably busy) Eric has a meeting now and should be back at the plane at 3:30...please advise if you would like him to come see you...
